August Meeting Wednesday August 1st

The August meeting of the Association will be held on Wednesday August 1, 2007. The meeting will start at 8:00PM. August is traditionally low attendance month. Combine that with the meeting date falling on the 1st and we can expect low turnout. If you are around please try to attend. We need a quorum to conduct business. See you there!

Cycle for Haylee Bicycle Team Riders Wanted

For the past few years the H.S.A. has entered a team in the Cycle for Haylee charity ride held each October in Holliston. We started with one rider. The next year we had two riders. Last year we had four riders. Can we double this to eight riders this year? This year the ride will be on Saturday October 7th. The ride starts at 10:00AM at Fatima Shrine, and ends back at Fatima with a big cook-out. The ride raises money for the Cystic Fibrosis Foundation. Riders choose either a twelve mile or thirty mile ride. The riders pay a little, the club pays a little. Contact Alan Lisak for additional information on this event.

Poultry Show Sunday August 26th Volunteers Needed

The club will host a Poultry and Small Stock Show on Sunday August 26th. Volunteers are needed to run a refreshment service. Coffee and donuts early, followed by hot dogs and soft drinks. This is an easy and enjoyable way to earn your work assessment hours. A four person crew working from 8:00AM until noon is ideal. Volunteer at the August meeting.

H.S.A. Junior Member Kim Coffey Takes 2nd Place In Bay State Games

July 15, 2007, Reading, Mass.

Kim Coffey of Holliston participated in the Bay State Games three position smallbore rifle finals, held today in Reading, Mass. Kim took second place in her division, *and second place overall*, with a score of 519 7x, earning a silver medal. Top overall scorer and winner of the gold medal was Sarah Scherer from Reading, with a score of 564 14x. Max Snyderman from the Maspenock club placed third, earning the bronze, with a score of 514 9x. Weather for the competition was sunny, with temps approaching 80dg, and quite breezy. Wind conditions made the event more difficult, but the shooters were up to the challenge it presented. After the match Kim packed up her gear and headed out to Camp Perry to shoot with the Massachusetts Junior Smallbore Team at the 100th Anniversary NRA National Matches. The National matches will include metallic sight, and any sight 3P 1200 events. Kim will be a senior at Norfolk Aggie this year, where she is a member of the National Honor Society, and captain of the girls varsity soccer team.

Work Parties Scheduled for August 13 , 14

The work parties held in July produced some pretty good results. Several members participated. Trap field brush got trimmed back, carpeting was cut up for the bullet trap, The bullet trap facing was removed for the scrap metal company that came in to recycle the lead from the bullet trap, and the front gate was painted. There is plenty of work left to do so we're having another two nights of work parties on August 13, and 14. You are expected to help out!

Big Fish Tournament Entries Needed

Members with photos of fish caught this year should get their entries in for the tournament. Largemouth bass, smallmouth bass, trout or salmon, bluefish and striped bass are the categories. So far only two entries have been received. We need a photo, the date caught, and the length in inches. The top three entries in each category receive award pins.
