Bicycle Riding Members Needed for H.S.A. Corporate Team

By-Law Change Proposed Re: Life Member Requirements

A proposal has been submitted to the club Secretary to request a change to the by-laws. Currently to be eligible for life membership one must be at least sixty-two years old and a member in good standing for five consecutive years. Under the proposed change to be eligible for life membership one would have to attain age sixty-five and be a member in good standing for ten consecutive years. Attend the July meeting to participate in the discussion of this change.
