The June meeting of the Association will be held on Wednesday June 4th at 8:00PM. There will be trap shooting before the meeting starting at 6:30PM. Finally the attendance prize drawing will be held. There was no winner at the May meeting, therefore the June prize drawing will be for \$50. Lots of good things happening at this months meeting. The weather is warm. Junior Club Members Enjoy Fun Night at The Club

On Monday evening May 5th, Junior club members took a break from the rigors of four position smallbore rifle shooting. The annual Junior Fun Night gives the youngsters a taste of shooting something besides the single shot bolt action rifle. The evening began on the trap field. Using 12 gauge shotguns the shooters fired from the 16 yard line. Luke Spina was the most consistent shooter on the trap field running ten straight. When the sun went down action moved to the indoor range. The juniors tried out .22 caliber revolvers, and semi-automatic target pistols. They also had a chance to use .22 rifles in lever action, pump action, and semi-automatic action. The sights ranged from open irons, to telescopic. Ten junior members participated. Thanks go to members Ed Glickman, and Dan Holmes for coaching and controlling the firing line.

One final reminder:
