### Irene visits the H.S.A.

H.S.A. - August 29, 2011 - Tropical storm Irene battered the clubhouse and grounds on Sunday August 28th. She dropped a large tree across the electrical lines above the parking lot (left photo). Another tree fell onto the clubhouse causing roof damage.

### Family Day Committee Seeks Volunteers

As you all should know by now the H.S.A. is planning to hold a Family Day at the club on Sunday September 11th. Volunteers are needed to help out on Saturday September 10, and Sunday the 11th. On Saturday the clubhouse and grounds will need to be cleaned up. The kitchen will need to be set-up. On Sunday tables and chairs will be set up, the food will be served, games will have to be set-up and run. Raffles will be organized, and run. At the end of the day everything has to be taken down and put away. This all sounds like a lot of work, and it is. So we need a lot of members to volunteer to help out. Please come to the September meeting and let Frank know that you can help. This should be a great event if we get some participation from the membership.

**Let's make it happen!**

### Trap Shooting before the September Meeting Starts at 6:30PM

The Trap Committee is hoping to shoot a few of rounds of trap before dark on Wednesday. The committee will have ammo available. Come on out for some shooting fun on one of our last warm summer nights.

## More from Irene

The roof over the outside bar took a heavy hit from this fallen tree limb thanks to tropical storm Irene.

## N.R.A. Certified Range Safety Officers

The H.S.A. prefers to have shooting events conducted under the supervision of a certified range safety officer. The Association is seeking suitable candidates to take the RSO class. The class is two full days (usually Saturday and Sunday) and ends with a written test. Candidates need to have a good familiarity with firearms and their workings. Upon successful completion of the course you would be expected to help run firing lines at H.S.A. events. Contact Mark Heavner for more information about the RSO program.

### Other H.S.A. news & notes:
